

The Book of Daniel
Chapter 6

Verse 1-3

1. Darius was not the emperor of the Medo-Persian empire. That would be King **CYRUS**.
2. Darius was “*made king over the realm of the Chaldeans*” (*Daniel 9:1*), by King Cyrus. Under him, he set three **PRESIDENTS**, of whom Daniel was first, and under these three were 120 princes.

Verses 4-28

3. Daniel was in trouble because he failed to pray to a man who was taking the place of God. During the tribulation, many will be persecuted for failing to recognize the **ANTICHRIST** as God.
4. Just as an **ANGEL** protected Daniel, so will an angel protect the elect Jews during the tribulation. (*Daniel 12:1*)
